

# RAKAN AHMED AL-NUSAYRI

IT Specialist | Networking and Technical Support

Riyadh, Saudi Arabia | [+966 535 256 419](tel:+966535256419) | [Rakan.HR7@outlook.com](mailto:Rakan.HR7@outlook.com) | [Rakan Portfolio](#)

## SUMMARY

Computer Science graduate with over a year of hands-on experience as a Computer Systems Technician, covering IT support, hardware maintenance, and network operations. Trained through the Cisco Networking Academy CCNA program, with working command of TCP/IP, routing and switching, subnetting, and VLANs. Also applies data analysis using Excel, Power BI, and SQL, along with artificial intelligence fundamentals.

## EXPERIENCE

### Computer Systems Technician

ACE - Automation Control and Energy Systems | Riyadh, Saudi Arabia | October 2025 - Present

**Key Skills:** IT Support, Networking, Systems and Hardware, Troubleshooting

- Provide day-to-day IT support, resolving hardware, software, and network issues for end users.
- Install, configure, and maintain computer systems, peripherals, and network connections.
- Support network infrastructure including switches, routers, structured cabling, and connectivity troubleshooting.
- Diagnose and repair hardware faults and carry out preventive maintenance to reduce downtime.
- Document technical issues, resolutions, and system configurations for internal reference.

### Cooperative Training - Cybersecurity

Al Jouf Municipality | Al Jouf, Saudi Arabia | July 2024 - August 2024

- Trained in cybersecurity fundamentals, information security practices, and IT infrastructure.
- Supported device maintenance, troubleshooting, and technical documentation.
- Assisted in updating digital records and verifying data accuracy.

## SKILLS

- **Networking:** Networking Fundamentals, TCP/IP, Routing and Switching, Subnetting, VLANs, LAN/WAN, Network Troubleshooting
- **IT Support:** Hardware Troubleshooting, System Configuration, Device Maintenance, Technical Documentation
- **Data Analysis:** Microsoft Excel (Advanced), Pivot Tables, Power Query, Dashboards, Power BI, SQL
- **Artificial Intelligence:** AI Concepts, Machine Learning Basics, Generative AI Basics, AI Agents
- **Programming and Tools:** Python, SQL, HTML/CSS/JavaScript, Git and GitHub
- **Soft Skills:** Problem Solving, Teamwork, Communication, Time Management, Attention to Detail

## CERTIFICATIONS AND TRAINING

- **Google Data Analytics Professional Certificate** - Google (Coursera), 2026
- **CCNA Networking Program** - Cisco Networking Academy

## EDUCATION

### Bachelor of Science in Computer Science

Al Jouf University | Saudi Arabia | 2025

## LANGUAGES

Arabic | English
